

My name is Charles Lawrence and I currently work as the Creative Director for a Chicago social-media production company, Underscore_Films LLC (www.underscorefilms.com)

I have a strong background in dance and performance; most recently I worked on a music video that our company filmed and produced for a client of ours as the choreographer instructing the hip hop dance routine appearing in the video (go to www.youtube.com/hotcivic83 to see some of the clips and choreography).

I also have experience teaching in a studio setting. When I was in Springfield, IL I taught for 2 years at Footlights dance studio, I have also held multiple workshops at Hubbard Street Dance Studio in downtown Chicago. While I was at Auburn University and Southern Illinois University I not only taught, but started up weekly hip hop classes for not only students but for the local community as well.

I have 10 years of experience choreographing different types of show choirs that have been located on the east coast in Boston, MA all the way out to the west coast in California while working with the ages between 12-18 years old. My style of choreography is very unique because it combines a combination of dance styles from hip-hop, to "Bob Fosse" and even contemporary. I make sure that the choreography not only matches the style and theme of the show, but also is most creative and innovated in as many ways.

I should also point out that I am an instructor and principal hip-hop choreographer for [Storm Dance Alliance](#), which is located in Owego, IL. I teach classes twice a week teaching Hip-hop intro, hip-hop intermediate and 2 classes of Advanced Hip-hop as well as 4 of their hip-hop competition groups and the company hip-hop production.

Additionally I spent two years choreographing for X-treme Cheer nationally competitive squad based out of St. Louis, and have instructed ages from 6 to 35 all over the country in various states like Florida, California, Nebraska, Alabama, Tennessee, and Texas to name a few! All of these that I traveled for (including show choir) have been for competition, and I've won multiple "Best Choreography" awards on the road.

Please feel free to either send me an email (Charles@Underscorefilms.com) or give me a call (312.493.5323) and we can discuss how my services can be of use to you.

Thank you for your time and consideration

"If you think you can, you can. If you think you can't, your right"
